

how do i change or update the credit card and use a different one?

105 admin October 1, 2023 [Billing](#) 5155

Go to https://www.2checkout.com/va/sales/customer/change_billing_method and change the billing to another credit card.

You will be able to use this only if your current payment mode is using a credit card. This will not work if your current payment method is PayPal

Locate order to update

In order to update your billing information we need to locate the sale.

Search by Credit Card	Search by Zip Code
<p data-bbox="193 1025 730 1077">Search for your order using the credit card that is currently billed</p> <p data-bbox="193 1111 336 1133">*Order Number</p> <input data-bbox="193 1137 777 1196" type="text"/> <p data-bbox="193 1218 501 1240">*First 6 Digits Of Your Credit Card</p> <input data-bbox="193 1245 777 1303" type="text"/> <p data-bbox="193 1326 501 1348">*Last 2 Digits Of Your Credit Card</p> <input data-bbox="193 1352 777 1411" type="text"/> <p data-bbox="193 1487 501 1541">Search for order »</p>	<p data-bbox="834 1025 1209 1048">Search for your order using the zip code</p> <p data-bbox="834 1081 983 1104">*Order Number</p> <input data-bbox="834 1108 1422 1167" type="text"/> <p data-bbox="834 1189 1145 1211">*Zip Code of your <i>Billing Address</i></p> <input data-bbox="834 1216 1422 1274" type="text"/> <p data-bbox="834 1458 1145 1512">Search for order »</p>

Contact [24/6 Support](#) for your order number. If you are on PayPal, refer this [article](#) to update your payment method.
