How to solve 'Install not allowed on this IP address. Contact Ezeelogin support team' error encountered while installing Ezeelogin?

Overview: This article helps Ezeelogin admin users to resolve "**Install not allowed on this IP address. Contact Ezeelogin support team**" error encountered during the Ezeelogin installation.

A terminal window with a black background and white text. The text shows the installation process: 'Type "I AGREE" and press enter to accept the license: I AGREE', 'Thank you for accepting the license agreement. Installing Ezeelogin...', and then an error message 'Install not allowed on this IP address. Contact Ezeelogin support team.' which is highlighted with a red rectangular border. Below the error, it says 'Please contact support@ezeelogin.com'.

```
Type "I AGREE" and press enter to accept the license: I AGREE
Thank you for accepting the license agreement. Installing Ezeelogin...
Install not allowed on this IP address. Contact Ezeelogin support team.
Please contact support@ezeelogin.com
```
