Note: The current trial period does not change if the payment is done before the trial ends. The new license will be valid according to the billing period that we have chosen. (Monthly, Quarterly, Half-yearly, Yearly,).

If the customer purchases a license before the trial ends, the trial period will not change and the

customer will be able to use the Ezeelogin during the trial period.

If there is any autogenerated invoice, the invoice will be valid for two days after the due date.
