#### 3. How long is the trial license valid?

The trial license is valid for 30 days.

#### 4. User can upgrade from a trial to a paid license?

Yes, user can upgrade to paid seamlessly without losing any of the existing data.

---

## What is the difference between a Trial and Leased/Professional Plan?

### 1. Trial License/Free Trial

- User can add an unlimited number of servers.
- The license would be valid only for 30 days.
- In order to continue using it after 30 days, user would have to upgrade to a paid plan.
- Free installation and setup
- Free Secondary license

### 2. Leased License/Professional Plan

- Order the license for the number of servers user intend to manage.
- The license would renewed automatically every month on receipt of payment.
- Free software updates and support
- Free installation and setup
- Free secondary license

- Unlimited migration to other IP addresses
- 24\*6 Priority support

---

## **BULK PRICING**
